Residence Hall Application

Please return this application with a \$100.00 room deposit to the CM Business Office within 30 days. Completing this application does not assure a room on campus; however, the date in which the deposit was paid does determine your place in line for a room...the earlier the better. Residence Hall Applications will be acted upon 60 days prior to the start of school. **This application will not be acted upon until the \$100.00 deposit is received.**

Room Assignment Policy: First year students will have preference in regards to room selection. Second year students may be allowed to live in the Residence Hall based on availability, conduct, school involvement, academic record and traveling distance.

Residence Hall Agreement: The student agrees that compliance with the rules and regulations (available in the Residence Hall Agreement and in the office of the Dean of Students) is a condition of this application.

Residence Life: CM has three residence halls. Each is designed to provide an environment that is conducive to your educational, social and personal growth. A complete staff is available to assure you of quality services and programs. The residence halls house 139 students, depending on the use of double and triple room occupancy. (You should expect triples to be the norm.)
